All Hands on Deck

Die Ziele

1. Entwicklung und Umsetzung innovativer Praktiken im Bootsbau
2. Verjüngung der Arbeitskräfte im Bootsbau durch innovative Lernsysteme
3. Erhöhung der Zahl der Auszubildenden im Bootsbau
4. Verbesserung der europaweiten Vernetzung innerhalb des Bootsbaus
5. Bewahrung von Wissen und Know-how
6. Erleichterung des Zugangs zu Informationen

All Hands on Deck

1

Ein kollaboratives Portal für Bootsbauer, das es Fachkräften und Auszubildenden in ganz Europa ermöglicht, sich zu vernetzen, Fragen zu stellen und Wissen auszutauschen.

2

Eine europäische audiovisuelle Terminologiedatenbank mit mehr als 1000 Fachbegriffen aus dem Bootsbau mit Beschreibungen, Bildern, Ausspracheaufnahmen und Übersetzungen in fünf Sprachen (Englisch, Spanisch, Deutsch, Italienisch und Französisch) zur Verbesserung der Verständigung und des Wissensaustauschs im Bootsbau

3

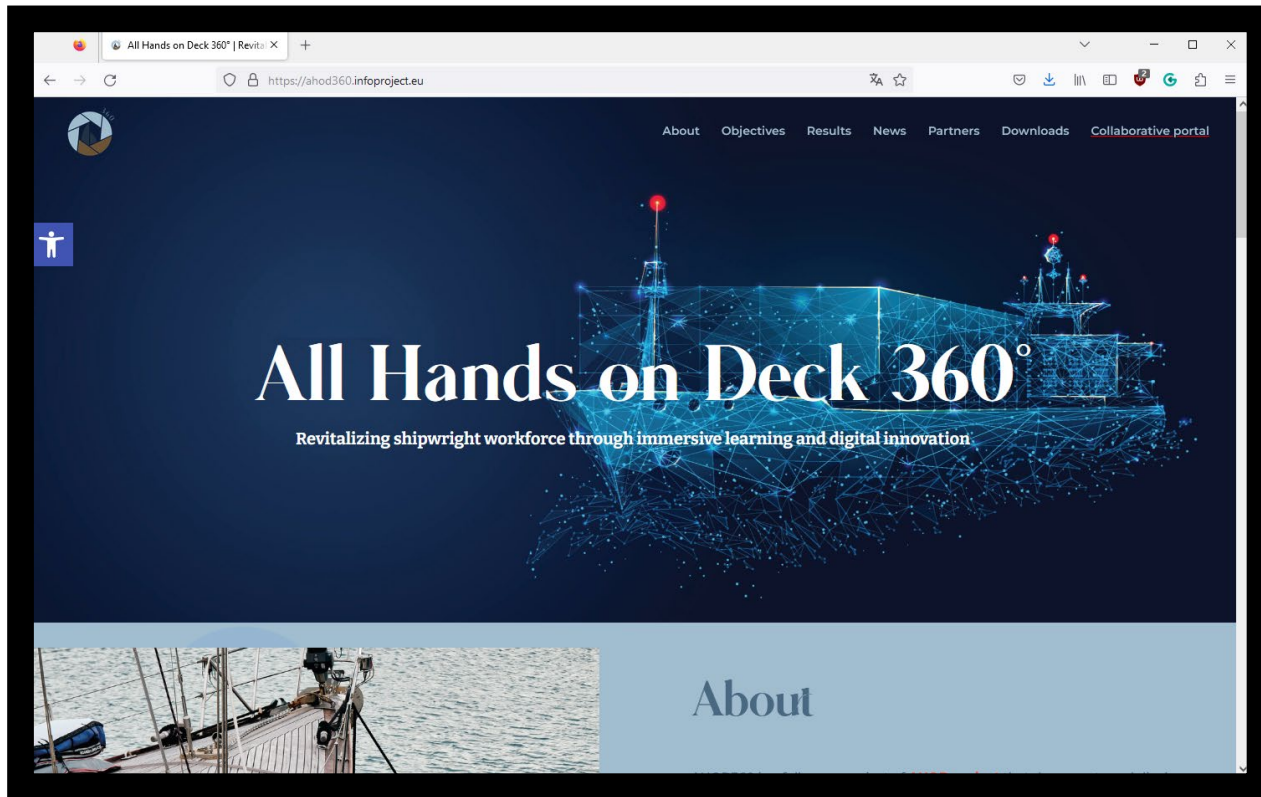

Eine immersive Lernumgebung mit 5 virtuellen 360°-Rundgängen durch Werften aus verschiedenen maritimen Gebieten, die verschiedene Konzepte erklären und so eine interaktive und fesselnde Lernerfahrung schaffen

A screenshot of a web browser showing the 'Ahod 360 - Community' website. The browser's address bar displays 'https://ahod360.infoproject.eu/community/'. The website header includes navigation links for Home, Groups, Map, Members, Activity, Events, and Website, along with a user profile icon for 'HI, Boat Enthuslast'. The main content area features a welcome message and three columns of text describing collaborative groups: 'Shipwright-Shipwright', 'Shipwrights-Shipyard', and 'Shipwrights-Students'. Each column provides details on how users can share information and collaborate. Social media icons for Facebook and Twitter are visible at the bottom left, and a green circular icon is at the bottom right.

A user profile menu overlay with a dark background. At the top is a profile picture placeholder and the text 'HI, Boat Enthuslast'. Below this are three menu items: 'My account' with a document icon, 'My profile' with a gear icon (highlighted by a red rectangular box), and 'Logout' with a person icon.

An interesting event for Boatbuilding Enthusiasts!

The Webinar that introduces bio-lightweight material for stand-up paddleboards and other applications.
The material boasts unmatched mechanical strength, resistance to the elements, and is a sustainable solution for the boatbuilding industry.

This free online event is hosted by the Fraunhofer Institute for Wood Research, Wilhelm-Klauditz-Institut WKI on September 19, 2023 and is in German.

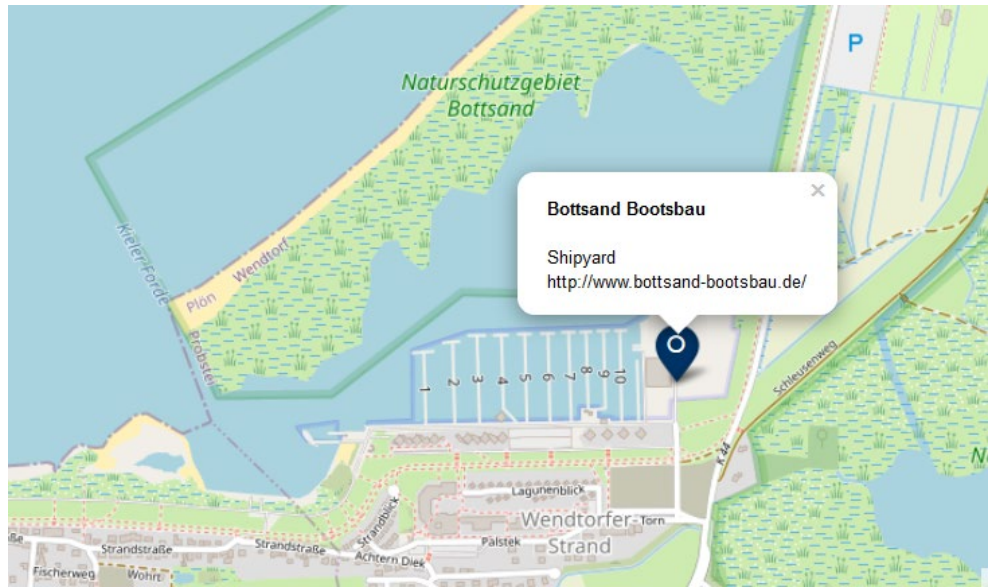

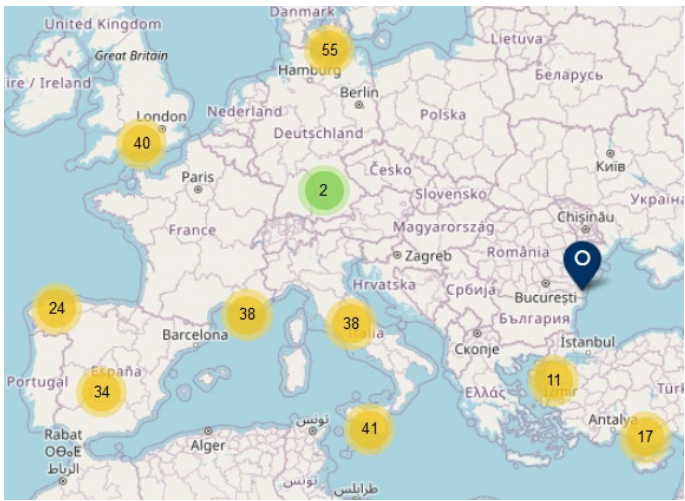

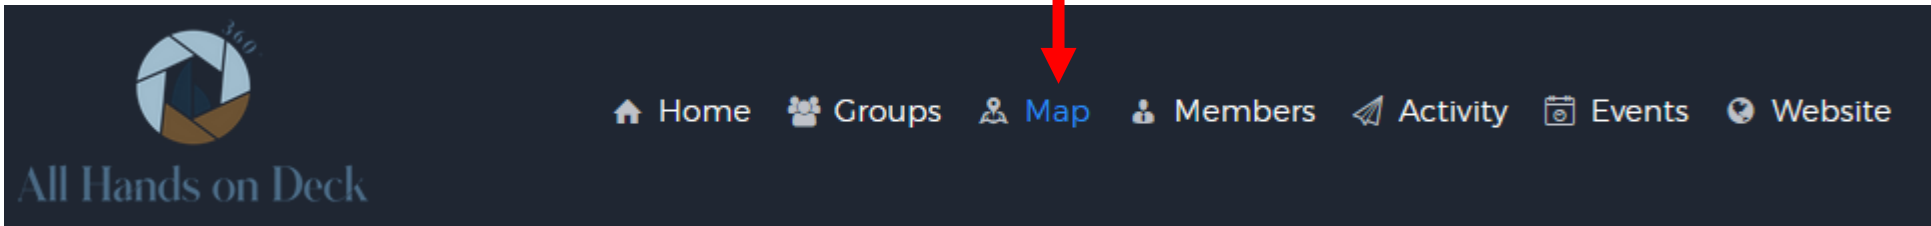

Information and registration here: https://www.wki.fraunhofer.de/en/events/online-seminars/2023/webinar_78.html

The screenshot displays the mobile application interface. At the top, there is a navigation bar with icons for Home, Groups, Map, and Members. The user's profile is shown as 'Hi, Evelyn'. The main content area is titled 'Events for Sep 2023' and includes a search bar and a calendar view. A modal window is open, showing details for a 'Workshop' event on September 29, 2023, from 9:00 am to 9:45 am. The event details include a Zoom link, session ID, and passcode. The calendar view shows the event scheduled for the 29th of the month.
